MERCEDES S580

The Mercedes-Benz S580 is a confluence of elegance, performance, intelligent automotive safety systems, and innovation. Each seat is hand fitted with leather upholstery and the interior is trimmed with hand polished wood. The electronic stability program ensures a smooth ride and laminated, infrared-reflective glass reduces noise and heat. The S580 is a full size luxury vehicle that articulates sophistication and class. Our S580 is equipped with rear reclining seats and massage, 2 rear TVs, 2 rear airline style tables, 4D stereo system, and much more.

- Seating capacity: 3
- Luggage capacity: 4
- High speed Wi-Fi 5G
